PARENT ASSOCIATION

STA Parent Association Needs YOU!

Welcome Meeting Thursday, September 12 at 9:00am at Alumni Room

We welcome and encourage all parents to get involved and volunteer at our school. The primary focus of the STA Parent Association is to strengthen our school community by supporting annual events and activities at STA. We achieve this by involving ourselves with activities that connect students, parents and families. Monies raised by these activities are used for the improvement of our school or the enhancement of student extracurricular activities. Through these activities, the Parent Association also provides parents with opportunities to volunteer within our school community. Further details on the Parent Association can be found on the [website](#). Please [email](#) if you are interested in becoming an active member of the Parent Association.
